

Komisja XV – Projektowanie i wytwarzanie konstrukcji spawanych

- XV-1452-14 list of working documents (as of June 2014) – R. Shaw (USA)
- XV-1468-14 Weld effective lengths of Rectangular Hollow Section T- connections under branch bending – M. R. McFadden (Canada)
- XV-1469-14 Elastic mechanical behaviour of spliced joints assembled by fillet welding and bonding – M. Hirohata (Rep. of Korea)
- XV-1470-14 Optimization of welded conical shells for axial compression and bending – K. Jarmai, J. Farkas (Hungary)
- XV-1471-14 Punching shear capacity of T-joint made of high-strength steel plates – T. Björk et al. (Finland)
